

# FACT SHEET

## Hotel Information

Offering both a picturesque beachfront location overlooking the crystal clear waters of the Aegean and an ultra-modern spa and wellness centre, the new Radisson Blu Resort & Spa, Cesme is the perfect place to satisfy body and soul. Add to this its spacious state-of-the-art conference facilities and the hotel can create the ideal venue for meetings and conferences.

## Rooms

Guests staying at the Radisson Blu Resort & Spa, Cesme will be treated to an unforgettable experience with beautifully designed guest rooms that offer magnificent views of the Aegean Sea or the hotel's landscaped gardens. The hotel will offer 312 modern and sophisticated guest rooms including 42 spacious suites, 2 king suites and 4 luxurious duplex villas. Non-smoking rooms, connecting rooms and rooms for disabled guests are available on request.

## Dining

Guests seeking the delicious flavours of the region traditional cuisine as well as classic international dishes will be well catered for in the hotel's two high-quality restaurants. Why not start the day with a Radisson Blu Super Breakfast in the All-Day restaurant overlooking the sea? Or visit the hotel's specialty restaurant with its wide choice of Italian and grilled dishes beside the beach. The hotel's three bars offer international drinks and beverages.
